Jeff City Hosts Mock Legislature

Nineteen NWMSC students attended the Intercollegiate Legislature held in Jefferson City, May 4 and 5. The purpose of the mock legislature was to better acquaint the college students of Missouri with the processes of state government.

The delegation to the House of Representatives were: Bob Head, Kay Lawrence, Tom Richardson, Vickie Buckley, David Gore, Fred Messner, Jim Smith, Allen Bowers, Frances Bulen, Janet Tussey, John Cravens, Dale Lynch.

Pat Harris, Ted Marr, Doug Johnson, Helen Meyers and Larry Schulerberg. Dr. and Mrs. James Lowe accompanied the group.

Phil Stone and Dahlman Davis were named as the two NWMSC Senators which entitled them to set in on the debate of proposed legislation which took place in the Senate Chamber. Phil Stone received the Republican nomination for Lt. Governor.

130 NWMSC Students Honored

Approximately 130 students were recognized and honored at the Honors Day Assembly held in the college auditorium May 9.

Mrs. Marlene Hizer was highly recognized as she received three different honors for being the senior with the highest grade point average for four years.

Homecoming Prizes And Awards Changed

"Broadway Productions" is the theme for next year's homecoming. Included in this theme are all plays, motion picture productions, and Broadway hit songs.

The deadline for ideas of the various organizations for variety show was May 10. The other divisions of competition must be turned in at the date decided on by the homecoming committee.

The prizes and awards have been changed this year. The variety show prizes, still in two divisions, raised first place prize from \$25 to \$40, second \$20 to \$30, third \$15 to \$25, honorable mention up to \$10. Duplicate prizes will be awarded.

Those groups which draw their members from both male and female students will be judged by their roster and placed in the division of the largest percentage.

Separate divisions will be carried out in the beauty float and humor float. Since the jolly division has decreased notably in participation, there will be only three divisions with prizes of \$30, \$20, and \$15, respectively.

In general, there will be more prize money, along with a double set of trophies.

Textbook Room

The textbook room will be open May 21-26, from 8 a.m. to 5 p.m. Students may turn their books in at those times; however, no library clearance will be given until after May 26. The clearance is necessary for refunds on book rentals.

Twelve Students Present Recitals

The Department of Music presented twelve piano students in a recital held Monday, May 14, at 8:15 in the Horace Mann Auditorium.

The program and performers were: "Rag-Caprice" by Milhaud, Anita Beth Anderson; "Toccata from Suite pour le Piano" by Debussy, Darlene Weldon; "Wedding Day in Trolldhaugen" by Grieg, John Flora; "Allegro from Carnival Jests in Vienna" by Schumann, Pat Lininger; "Sonatina" by Ravel, Judy McClard; "Night Winds" by Griffes, Marilyn McCoun.

"Rondo Capriccioso" by Mendelssohn, Maynard Potter; "Sonata in A" by Scarlatti, Martha Schrimsher; "Consolation in D Flat Major" by Liszt, Joanne Swope; "Danza Andaluza" by Nin, Donna Theis; "Sonata No. 2" by Hindemith, Carolyn Houts; "Sonata in G Minor" by Schumann, Karen Slayden.

All the pianists are pupils of Mrs. Mary Jane Sandford.

Sunkel Exhibits Art Work In Ark.

Mr. Robert Sunkel is exhibiting a piece of wood sculpture in the Sculpture's Exhibition of the Fifth Annual Arkansas Festival of Art in Little Rock, Arkansas.

Held in the Gallery of the Four Columns, it is open to all residents and former residents of the state of Arkansas. Since Mr. Sunkel had previously won an award in the Third Annual Festival in 1960, he was invited to show his work.

In the same annual festival of art, he also has a painting "Final Tribute" which is a part of the Southern Artists Association exhibition.

Caps and Gowns

Faculty and seniors get their caps, gowns, etc. in Room 108, Colden Hall, Friday, May 18, from 10:00 A.M. to 1:00 P.M.

Miss Maryville and her court are pictured above. The three winners are NWMSC coeds. They are (l to r) attendant, Kathy Swoboda; Miss Maryville, Kathy Kinnick; and attendant Wicky Jackson.

Welded Steel Titled Monument To Infamous

William R. Brown has a piece of welded steel sculpture on exhibition as a part of the Twelfth Mid-America Annual Exhibition at the William Rockhill Nelson Gallery-Atkins Museum, Kansas City, Missouri.

Entitled "Monument to the Infamous", his work was one of 94 chosen from 950 works submitted to the three man jury.

Open to artists of the eight-state area of Mid-America, the exhibition consists of paintings, drawings, prints and sculpture.

The show continues until June 4.

Rounds Directs Band in Concert

The NWMSC Band, under the direction of Mr. C. Ward Rounds, presented its annual Spring Concert on Tuesday, May 15, at 8:15, in the College Auditorium.

The program was as follows: "Purple, Carnival" by Harry Alford; "Symphonic Suite" by Clifton Williams; "Ballad for Band" by Morton Gould; "Legend" by Paul Creston; "An American in Paris" by George Gershwin; "Doodletown Fifers" by Sauter-Finagan; "Burst by Flame" by Richard Bowles.

Anthology Chooses Miss Schmidt's Poem

"My Love Knows Me Not", a poem written by Darlene Schmidt, will be printed in the Anthology by the American College Poetry Society, Spring of 1962 edition.

Kathy Kinnick Wins Miss Maryville Title

Kathleen Kinnick was chosen Miss Maryville at the Miss Maryville Pageant held in the college auditorium Wednesday evening, May 9. She will represent Maryville in the Miss Missouri contest to be held this summer in St. Joseph.

Kathleen Swoboda and Ellen Wickliffe Jackson were chosen as runners-up. Both girls are from St. Joseph, Missouri.

Journalism Frat Initiates Today

Initiation for the core membership in Gamma Upsilon, journalism fraternity, will be held today at 4 p.m.

The ceremony will be conducted by Mr. Aubrey Allen, executive secretary of the national organization. Mr. Allen is a professor of business at Culver-Stockton college, in Canton, Missouri.

Application for membership into Gamma Upsilon is largely determined by one year's work on a campus publication. Core membership for the fraternity has been set.

Those interested in Gamma Upsilon are urged to contact Mr. D. F. Peel, Dr. Frank Grube, or Ivan Lyddon.

Vassian Resigns NWMSC Position

Mr. Edwin Vassian, chemistry, has resigned to accept a position as assistant instructor in the chemistry department at the University of Missouri. Mr. Vassian will continue his studies toward his Ph.D. degree in chemistry at the University.

For the past two years, Vassian has been an instructor in physical science here at the college.

Miss Kinnick is a junior music major from Lohrville, Iowa. She received an oil painting, compliments of Orval Heywood of Alex Studios;

Bobbie Brooks Dress from Clara's fashions; a pair of shoes from the Maryville Shoe Co.; a charm bracelet, compliments of Maryville J. C.; a \$100 scholarship from the Pepsi Cola Co. in Albany, Mo.; and a crown, trophy and roses.

The contest was judged on swimsuits and ball gowns and talent and appearance in on personality. Miss Kinnick sang an aria from the opera by Gianni Schicchi. The two attendants gave readings.

There was a luncheon in the afternoon at Armstrong's for the contestants and judges.

Her expenses will be paid to the Miss Missouri Contest by the Maryville Junior Chamber of Commerce, President, Ted Vulgamott,

The judges of the contest were: Ronald Reek, Jr.; Miss Donna Gibson, St. Joseph; Mrs. John Curfman; C. E. Cook, and Dr. Frank Grube, Maryville. Jim Nardi, KNIM, acted as Master of Ceremonies.

Miss Missouri Committee Chairman is Bill Leonard, St. Joseph. The Maryville Pageant Committee was comprised of: Robert Severson, chairman; Leroy Wedlock, Larry Zahnd, Herb Whitaker, and Larry Lucas.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Let's Work Together

One of the major complaints heard from the students here at NWMSC concerns the poor college-town relationship that exists. And the complaint is always voiced with the attitude that it is the town's fault. Could it be that the students have a part in setting up barriers to a better relationship?

We think the answer is yes. The students do not, however, consciously go about disrupting the cooperation between college and town, but neither do the students consciously set forth with the idea of convincing the town that we are interested in it. We, the students, must set up a positive means of convincing the Maryvillians that we are interested.

The opportunity is available for such an undertaking. It takes the form of the Nodaway County Park. The proposed park will consist of 400 acres totally, and include a 77-acre lake and a 40-acre park and picnic area. It will be available to EVERYONE, and located 5 miles north on highway 27. And the best part is that it will be absolutely FREE. The only problem is that age-old problem, money.

Maryville is assigned with the duty of raising \$12,500 for the project. The committee assigned with the task has started on the work, and in their discussions the possibility of college student interest entered. Logically, they decided that since the college students would receive a great deal of benefit from the lake and recreation facilities, they might be interested in contributing a little money to the campaign.

We at the MISSOURIAN feel the students should be and are interested in such a project. Interested enough to contribute, no matter how small the amount might be, to the fund raising campaign which is to be started. We feel that this is our opportunity to show Maryville that we are interested in a better relationship.

So, let's get behind this campaign for a better outdoor recreational facilities. Give to the Nodaway County Park project. Collection facilities will be available throughout the campus.

Think about it. Wouldn't a nice grassy place with good facilities be better than the muddy banks of the 102 river?

Faculty Plans Vacations

When the weather becomes warm, thoughts turn to summer vacations.

Since a large percentage of the graduates from this school plan to be teachers, the Missouriian sent a questionnaire to many of the faculty about their summer plans.

If you thought a teacher has a three month vacation, you have a wrong impression. Of the twelve instructors who returned answers, only one of them will neither be teaching nor attending summer school.

In fact, Mr. Barrows is first teaching "right here at good ol' MSC", then going to Los Angeles to do research at UCLA, W. A. Clark Memorial, and H. E. Huntington Libraries for his Ph.D. dissertation on English public finance and politics, 1690-1714.

Dr. Riddle, Dr. DeVore, and Mrs. Bowles will follow up their summer term with trips to Pocatello, Idaho; Washington and New York; and Newport Beach, California, respectively.

Miss Ruth M. Miller will be spending her days at the University of Kansas City, while F. B. Houghton will attend Iowa State University, Ames, Iowa, and Mrs. Walker will be at Washington University in St. Louis. Also, Mr. Peter Jackson will be at Colorado State College, Greeley, Colorado, in the doctoral program, and Mr. Ryland Milner will attend Michigan State University.

They're Talking About . . .

The Stroller

Spring is truly in the air. It's a time of fun in the sun, love, and flunking. However, the mystery man is not a work shirker, and has kept on the old move.

As she walked over the campus in this wonderful atmosphere of brotherhood, he happened to overhear a conversation about some members of a fraternity threatening a person for enforcing the rules. Well, boys, best you remember frater means brother, and it shouldn't pertain only to the fraternity.

Our campus is truly beautiful in the spring. Just look out across the lush "yellow" lawn any time of day, and you'll see a group of students tromping on it and gazing at the trees (while feverishly taking notes.) Now is the time to be out in the open. Our stroller friend knows this is true for the attendance in all her classes has dropped. As he sits there, being lulled to sleep by the drone of the lawn mower or professor, she leaves us with these few words—To The Beach.

Missourian Says Good-by

Remember when 850 freshmen invaded the campus. Some of these same students will return to see the college in their sophomore year.

However, the spotlight is not on the returning sophomores at this time. All eyes are turned to the graduating seniors, as they should be. In a little over a week, they will take the enviable trip to get their diplomas.

For this reason the Missouriian steps out if its role as relater of news and molders of public opinion, to wish them success in their chosen fields.

Six Named To Blue Key

The surprise announcement of the new Blue Key members at the honors assembly May 10, brought in six new members. Announced by the president of Blue Key, Gene Vogel, were Harold Gentry, Ron Guthrey, Ivan Lyddon, James Meadows, Donald Soper, and Dale Sporleder.

The requirements for Blue Key are met by having contributed to the general betterment of the campus through outstanding leadership ability.

Dr., Mrs. Miller To Tour Europe

Leaving St. Louis on May 30 and returning on June 29, Dr. and Mrs. Leon Miller will fly by jet to Europe.

At Nice, France, Dr. Miller will attend a school for incoming district governors of Lions, June 17, 18, and 19.

They both will attend the Lions International Convention June 20, 21, and 22.

Dr. and Mrs. Miller will also visit Belgium, Holland, Germany, Switzerland, and Italy.

An expert is one who knows more and more about less and less.

Dick Gould, Chuck Sanders, Ron Guthrey, and Jack Kelly are pictured above in the last round of the bridge tournament. Going into the last rubber, Chuck and Jack were 1800 points ahead. Then, Dick and Ron pulled into the lead to win first place. The other team came in second.

Political Views Debated?

In closing the year out, the Missouriian thought students would appreciate a review and summary of NWMSC's, "Debate of the Year."

"Now, let's look at the figures. . . ."

"I think your figures are phony—"

Thus the Young Democrats, Mr. Floyd Barrows and Ted Jamison, and the Young Republicans, Dr. Berndt Angman and Gary Rickman, launched into a spirited debate on the issues of party politics. Dr. George Gayler was moderator for the debate which attracted an overflow audience of 175 into the Union lounge.

Showing a command of historical precedent and a facility for quoting statistics, Mr. Barrows attacked the conservatism of the Republicans. Citing the need for federal legislation in the area of general welfare, he charged the Republicans with holding back the progress of the country.

Dr. Angman's argument centered on the Republican philosophy of progress at a slow, steady pace. The Democrats, he said, were financially irresponsible, devaluing the dollar by their reckless spending.

The Democrat's argument was based on a barrage of facts, figures, and quotes, which, while impressive, deafened some overburdened ears to their message. The emotional story of a "poor old lady, overwhelmed by medical expenses" seemed a bit below the level of the academic discussion. Considered as a whole, the Democrat's comments dealt rather completely with the issues and scored some telling blows for the present administration.

Somewhat theoretical, often numerous, the Angman-Rickman position was for the most part a defensive maneuver. Perhaps the weakest part of their argument was their liberal view which caused them to concede several points to the admittedly liberal Democrats. Too much attention to the theory of what should happen and not enough facing what is actually happening also worked to the Republican's disfavor. The opposition did make its point for coolness and calmness when dealing with the affairs of a nation.

Chalk Talk . . . Bob Cobb

At the recent Honors Assembly several outstanding athletes were justifiably lauded. Dick Clark chalked up the most points in intramural competition. Larry Timmerman earned the Outstanding Junior Athlete medal, while John Gilliland received the William Croy Award for track.

Sigma Tau Gamma captured the Intramural Supremacy Trophy.

Today, we will conduct our own little athletic Honors Assembly. Our athletic honors awards go to:

Dick Clark—for leadership beyond the call of duty and an All-MIAA ranking

Don Drake—for being the most improved roundballer

Jerry Mezmarich—for his selection of second team All-MIAA and leading the team in scoring

Roger Voss—who might be the best cager yet at NWMSC

Dr. H. D. Peterson, Dale Hansen and the Intramural Council—for providing the college with a great deal of fun and recreation.

The entire swim team—8 won-2 lost; many records smashed

The wrestling team—11 won-5 lost and 1 tie; First in the AAU and Graceland Tournaments

Dave Moore—for being named AAU Outstanding Wrestler for the second time in a row

Ralph Messerli—for fine wrestling and being appointed Assistant Dean of Men

The tennis team—for their 8 won and none-lost record in match play

John Bregin—for four years of superior tennis playing

Steve Croley—leading hitter in baseball

Coaches Moss, Baker, and Richey—who have had their lumps this year but didn't throw in the towel.

Mr. Peel—who didn't strike out in the clutch situations

To those we unavoidably forgot, but are as equally deserving

The chalk is all gone. The talk is over for another season.

Croley Swings Torrid Bat

Steve Croley, Bearcat pitcher-outfielder, topped the NWMSC baseball squad in hitting with a sizzling .420 average after thirty-three at-bats. In collecting 14 hits for the season, Croley has accounted for 2 homers and 8 RBI's.

Jim Sanders with .375, Dick Clark with .354, Bernie Ricano and Dale Ludwig with .333 are the other Bearcat swinging at a better than .300 pace.

In the home run and RBI department, Croley and outfielder Jim Jackson are tied for the lead with 2 round-trippers each, while Bernie Ricano heads the RBI listings with 10. Ricano also had one homer.

Among those players with less than 15 at-bats, Terry Kremer owns a hot .500 mark with 4 hits in 7 at-bats; Randy Wolcott has a .400 average with 4 hits in 10 times at the plate.

At this writing, Jim Sanders was the leading moundsman with a 2-2 record and a stingy 2.35 earned-run-average.

In dropping ten of twelve scheduled contests, Coach Richey's diamond crew could muster only 57 tallies, while the opposition had scored 82 runs.

MSC Baseball Team Splits With Creighton

Pitching dominated the scene Saturday on the Northwest State College diamond as the Bearcats split a doubleheader with Creighton University of Omaha, 1-6 and 2-1.

The split gave MSC a 3-13 record for the season, while Creighton is now 11-7.

Ludwig had allowed only four hits until the seventh for the 'Cats, and Creighton's Stolarisky had pitched a one-hitter when the game went into extra innings. The score was 1-1.

Five singles, a double and two MSC errors gave Creighton a 6-1 lead in the top of the eighth. The Bearcats were unable to come up with anything in the last half of the inning.

Dale Hansen and Jim Jackson combined for a four-hitter in the second game as Hansen went 5 2/3 innings and left with the bases loaded. Jackson came on to strike out the last man to end the threat and then finished the game.

Jim Sanders was two for three in the nightcap, driving in one run. Bernie Ricano had the other RBI for the locals.

Everyone is a moon, and has a dark side which he never shows to anybody.

State College Loses MIAA Tennis Crown

Finishing last in track and golf, Northwest State College also was dethroned from the tennis crown in the MIAA Conference championships Friday and Saturday at Warrensburg.

The Bearcat tracksters scored only 5½ points in the track events. Kirksville again dominated the track championships, winning its second straight crown with 88½ points.

Warrensburg was second with 69½; Springfield had 34½; Cape, 31½; and Rolla, 10½.

Springfield took the golf title with a 797 total; Kirksville was second with 802; Warrensburg, 809; Rolla, 811; Cape, 837; and MSC, 958.

In tennis, the Bearcat bid for a fourth straight title was wrecked by Cape 15-7. Kirksville was third with 10; Warrensburg, 8; Springfield, 5; and Rolla, 3.

Points for the Bearcats in track were earned by Gibson, fourth in the broad jump; Myers, fourth in the javelin; and the 'Cat mile relay team, tie

for fourth with Springfield.

Records set included Collier's 51 feet, 6½ inches in the shot put; Kirksville's 1.27.1 in the 880-yard relay; Weigand of Kirksville's :49.5 in the 440-yard run; Berry of Kirksville's .09.6 in the 100-yard dash; John Taylor of Kirksville's :14.4 in the 120-yard high hurdles; and the Kirksville mile relay team's 3:20.9.
